

The Department of Emergency Medicine at Stanford University seeks a Board Certified Clinician/Researcher to join the Department as an Assistant or Associate Professor in the Medical Center Line.

The major criteria for appointment for faculty in the Medical Center Line shall be excellence in the overall mix of clinical care, teaching and scholarly activity that advances clinical medicine. Faculty rank will be determined by the qualifications and experience of the successful candidate.

The successful applicant should have board certification in emergency medicine with experience in clinical research. We are particularly interested in candidates who have experience in securing funding.

In addition to providing excellent clinical care, and teaching house staff and medical students, this new physician researcher will lead by example by writing grants and conducting research pursuant to his or her expertise. As such this person will also be expected to be a resource as a mentor for junior faculty, residents and medical students in the area of clinical research.

Applications will be reviewed beginning January 1, 2016 and accepted until the position is filled.

Stanford University is an equal opportunity employer and is committed to increasing the diversity of its faculty. It welcomes nominations of and applications from women, members of minority groups, protected veterans and individuals with disabilities, as well as from others who would bring additional dimensions to the university's research, teaching and clinical missions.
