

A Brand New Look for AJCC

Over the past year, AJCC volunteers and staff have worked to reaffirm and further define our mission to provide worldwide leadership in the development, promotion, and maintenance of evidence-based systems for the classification and management of cancer.

In the months ahead, we will announce many new changes and objectives for the organization.

Today we are pleased to introduce our new logo, [website](#), and Twitter [profile](#).

We hope you will enjoy AJCC's enhanced online presence as much as we do. We welcome your comments, thoughts and suggestions. [E-mail](#) us or tweet using #AJCCLaunch.

See Us

Our logo is designed to represent the energy, expertise and unwavering commitment of all the dedicated AJCC volunteers working every day to improve the care of patients with cancer.

- The torch symbolizes knowledge and leadership.
- The flame symbolizes light on the path of discovery.
- The helix symbolizes our unwavering commitment to science.
- The shifting colors symbolize collaboration.

Visit Us

We invite you to visit our new [website](#), designed to meet the current and future needs of our members, as well as to effectively communicate the AJCC's vital position as the consummate source of cancer staging information. Our website will be updated regularly with AJCC news and updates on the progress of the next edition of the Cancer Staging Manual.

Follow Us

Follow [@AJCCancer](#) on Twitter for real-time updates from our organization. We look forward to connecting with you.
