

National Quality Measures for Breast Centers™

## NCBC is looking for additional Committee Members for our NQMBC National Quality Program

Dear Members,

On behalf of the NQMBC™ program, of the National Consortium of Breast Centers, we would like to invite you to consider serving as a member of the NQMBC Committee. With over 400 participating breast centers, we feel it is important to have input and learn from our front line users.

NQMBC is a very active committee. We are looking for members that would like to participate in making an impact in our breast care industry on a part-time or full-time volunteer basis. If you would like to join our NQMBC committee please tell us!

### Committee Responsibilities:

- To attend one conference call a week for the next 3 months
- To actively participate in the development of one of our 5 sub-committees
- Measures
- Website
- User Experience
- Vendor Relations
- Audits

### Qualifications:

- Must be a current participant in the NQMBC program
- Minimum of 5 years experience in Breast Care or Breast Care development
- Recognizes the importance of data collection and the impact it has on quality patient care and breast center development
- Asserts an ability to work effectively in collaboration with diverse groups of people.

We value our member base and the talent that resides among us. Please contact our executive director Kimberly Samuels-Bolin at 574-401-8115 or email [Kimberly@breastcare.org](mailto:Kimberly@breastcare.org)
