

2019 Annual Accreditation Fees

The 2019 Commission on Cancer (CoC) annual accreditation fees will remain the same as in 2018 for all program categories, except Integrated Network Cancer Programs (INCP's). The National Accreditation Program for Breast Centers (NAPBC) and National Accreditation Program for Rectal Cancer (NAPRC) fees will also stay the same in 2019.

CoC and NAPRC

The 2019 category-based fee schedule is available on the [CoC Datalinks](#) Activity Menu under Resources. For CoC-accredited programs, the schedule can be downloaded by the Cancer Program Administrator, Cancer Committee Chair, Cancer Liaison Physician, and CTRs. Please access [CoC Datalinks](#) and log in using your Datalinks username and password. For assistance with your username and password, please click the "Forgot User Name and Password" link on the Datalinks log-in page or e-mail CoCDatalinks@facs.org. Other Datalinks users who require information on the 2019 fee should contact one of the staff at their facility in the roles listed previously.

For NAPRC-accredited programs, the 2019 fee schedule in [CoC Datalinks](#) can be downloaded by the Primary Contact designated by the facility.

General CoC and NAPRC fee questions may be sent to accreditation@facs.org.

NAPBC Fees

For 2019 NAPBC annual fee information, please refer to the [NAPBC Portal](#). Accreditation fee schedules are no longer available on our public website. General NAPBC fee questions may be sent to napbc@facs.org.

Please click on our recently updated [Frequently Asked Questions](#) page for timely information related to fees and invoices or e-mail the Accreditation Team at accreditation@facs.org.
