

AEG Poster Contest 2016

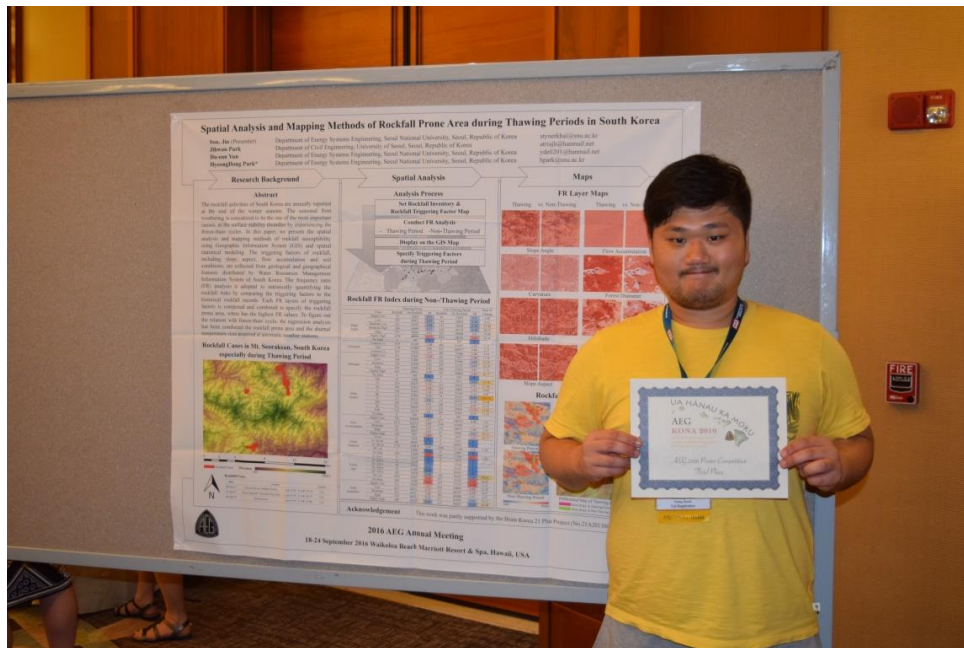

This year, votes were cast for the poster session contest through the Guidebook app. The top three vote-getters received cash prizes and a certificate.

First Place went to **Lauren Parker** from Mississippi State University who was awarded \$275 for her poster "Assessment of Fill Time and Potential Interbasin Transfer of Water for Proposed Reservoirs in George County Mississippi."

Second Place went to **David LaPorte** from Colorado School of Mines who was awarded \$175 for his poster "Monitoring of Urban Landslides around Guatemala City through Community Engagement."

Third Place went to **Jin Son** from Seoul National University who was awarded \$50 for his poster "Spatial Analysis and Mapping Methods of Rockfall Prone Area during Thawing Periods in South Korea."

Congratulations!
