

## New AEG Corporate Relations Director

Serin Duplantis Bussell, the 2012 Douglas R. Piteau Award Winner, is working for YOU now!

Becky Roland, of Phoenix-AMC, and Serin, of Pivotal Nonprofit Solutions LLC, will now be working together to conduct the business of the Association. Serin has over 10 years of experience with AEG. She has been a Student Member, President of the Portland State University AEG Student Chapter, a Stout Scholar, and served on a number of AEG Committees, including the Student and Young Professional Support Committee, the Advertising/Sponsorship/Exhibitors Committee, the Website Committee, and the 2013 Annual Meeting Planning Committee.

In addition to being a devoted AEG member, Serin's background includes an MS in Geology from Portland State University, work at the Oregon Department of Geology and Mineral Industries creating landslide inventories for the Portland Metro area, consulting work for Pacific Geotechnical, Inc., and an internship with the Oregon Department of Transportation in their Unstable Slopes Program. Serin also regularly attends Oregon Section meetings.

For the AEG, Serin will be the Corporate Relations Director, focusing on membership retention and recruitment, advertising, sponsorship, and exhibitor sales, and continuing education workshops. If you would like to reach Serin, please contact her at [serin@aegweb.org](mailto:serin@aegweb.org).
