

AEG Foundation Fundraiser needs your help

The 56th AEG Annual Meeting is just around the corner, and while you're finalizing your travel plans and putting your talks together, don't forget to pitch in with your donation to the AEG Foundation. The Foundation is getting close to reaching its \$1 million goal and every dollar you contribute gets the Foundation that much closer and makes the future of environmental and engineering geology that much stronger!

How can you help? Make a [monetary donation](#)! Or, donate an item to the AEG Foundation Silent Auction. Please contact [Donna Schmitz](#) to make monetary or Silent Auction donations. If you are planning to donate an item for the Silent Auction, please send the following information to Donna so she can finalize the bidding cards.

Silent Auction Information:

- **Donors Name**
- **The Value of the Item**
- **Description of the Item**
- **Photo of the Item (If possible, but not required)**

Silent Auction Items should be sent to Becky Roland by Friday, August 30.

Becky Roland, COO
