

Meet 2013-14 AEG President Gary Luce

What is your current occupation?

I am a Senior Engineer Project Manager with Knight Piesold and Company in Elko, Nevada.

My specialties are rock mechanics, slope stability, seismic hazard evaluations, materials testing and site characterization. I also work on all aspects of mining geotechnical projects as well as civil projects.

Please tell me a little about yourself and your family.

My wife, Leigh, is a Professional Development Trainer for Science and Math with the Douglas County School District, with degrees in Chemistry and Biology. We have been married for 34 year and have two Border Collies.

I enjoy rafting, mineral collecting and mystery novels. My wife is a serious quilter. My favorite movie is Bull Durham, followed by The Shawshank Redemption.

What is your history with AEG?

From 1989 - 1992, I was President of the UNR AEG Student Chapter. After graduating in 1992, I joined AEG as an Affiliate member. Then, in 1996, I joined the Association in 1996 and have been an active Full Member ever since.
