

## **Annual Meeting updates: 3 things not to miss**

Here are three important notes regarding the AEG Annual Meeting:

- This is the 50th anniversary of the Washington Section. It's time to celebrate! Raise a glass to the Washington Section, and catch up with old friends at the Icebreaker at 6:30 p.m. on Tuesday, Sept. 10. Free admission with full registration. Make a night of it at the Special Event at MOHAI at 6:30 p.m., Wednesday, Sept. 11. Fun, friends, music and more await at the MOHAI Museum – sign up today!
- Last call for short courses, field trips, and the special event. Don't miss out on these incredible, exciting educational opportunities. The short course where you can earn CEUs and field trips to see new sights and explore must be filled as soon as possible or are in danger of being cut from the schedule. Please sign up now! Field trips #5a and #5b have been canceled; don't let your trip or class be next!
- The 2013 Annual Meeting Program with Abstracts has been posted on the AEG website. Download a copy of the program, and start highlighting the talks you're going to see and the events you're going to attend right now. Events for everyone with student or full registration include the Student/Professional Networking Event, the Icebreaker and the Exhibitors Luncheon. See you there!
