# Silent Auction and Raffle needs Booth Volunteers

We are on the home stretch to the AEG 2015 Annual Meeting, and the AEG Foundation needs volunteers to sit at the Raffle and Silent Auction, Booths #1-3. We have both a 3-D Printer (photo attached) and the Queen sized Quilt, "Pittsburgh Before Pittsburgh," for the Raffle, and many fine items for the silent auction. Volunteers will sign up for one, two, or more hours, as much as you can. It is a great place to sit and rest between technical talks, and to spend time with your friends and new acquaintances.

If you are attending the 2015 AEG Annual Meeting, let me know if you want to sign up!

3-D PRINTER TO BE RAFFLED OFF AT THE AEG 2015 MEETING!
This fine quality BRAND NEW Desktop instrument, a FlashForge 3D Printer Creator Pro, has a metal frame structure, acrylic covers, optimized build platform, and dual extruder with several spools of extruder material in primary colors. This is in addition to the Queen-size quilt hand-made for the meeting city, Pittsburgh. So be sure to buy one, two, or a dozen raffle tickets!

To donate online, go to http://www.aegfoundation.org/cgi-bin/estore/donate_index.php and make your donation. As there is no place to indicate that your donation is for the raffle, just send a multiple of $25 for each raffle ticket you want (for instance, if you want two tickets, send $50) and add it to your online donation. Put your preferences in the "In Memory of" column – how many raffle tickets for each item.

Then send a note to Patty Bryan at staff@aegfoundation.org, that you want part of your donation to go for a raffle ticket to either the quilt or the 3-D printer. Please send a copy of your note to me at my janehgillshaler@gmail.com email address for my records.
