

2013 Exchange Roundtable

Operation Come Back Home--

Enjoy Your Benefit

Dallas, Texas

Updated Schedule of Events Posted!

The 2013 Exchange Roundtable Steering Committee has developed an informative and exciting agenda for next month. We will hear from each of our government partner services via a presentation and a panel, plus the panels from each of the services will take your questions. Additionally, the Executive Director and a Board member (a 4-star General) will speak to us about HeroBox and how we can have a direct and positive impact on our men and women in uniform currently
