

### **A Message from the ALOA Scholarship Foundation**

The mission of the ALOA Scholarship Foundation (ASF) is to provide educational services, programs and assistance for the locksmith/security/safe & vault industries.

We seek to accomplish this mission by:

- Developing various fund raising events and programs at several levels;
- Providing assistance to maintain high standards of educational programs;
- Providing individual scholarships for persons interested in pursuing a career in the locksmith/security/safe & vault industries;
- Managing funds to implement the purposes of the Foundation as necessary, convenient and proper to obtain these objectives.

We are able to achieve our mission through the support that we receive every year from the members of the locksmith/security/safe & vault industries.

The upcoming 53<sup>rd</sup> ALOA Convention & Security Expo provides two different ways that you can help support our mission and enjoy a great networking opportunity for you and your organization:

- Gather your foursome and plan to play at the ALOA Open Golf Tournament, Wednesday, August 12<sup>th</sup>. This year's tournament format has changed from the "Peoria scoring system" to a "Scramble system" so all levels of golfers can participate in helping raise funds.
- Also new this year, the ALOA Scholarship Foundation Banquet, Friday, August 14<sup>th</sup>, get ready to relax with friends, great food and a wonderful show.

Visit <http://www.aloa.org/convention/index.html> to register for both events!

As always, the ASF Board wishes to extend a heartfelt thank you to all who have continued to help ASF achieve its mission every year.
