This notice serves as the official call for nominations for the APGO Council for the 2015-2016 term. There are four positions open:

Vice President – This is a progressive three year term whereby the elected representative will serve as the VP for 2015-2016, President for 2016-2017, and Past-President for 2017-2018. Candidates must have at least one year of experience on Council.

North West Regional Councillor – Three year term, 2015-2018 representing geoscientists in the North West region. Candidates must reside in [North West region](#) to be eligible.

The APGO Council is the twenty member governing body for professional geoscientists in Ontario. As geoscientists are a self-regulated profession rather than directly government regulated, the APGO was created to carry out the responsibilities as set in the Professional Geoscientists Act, 2000. In order to accomplish this, Twelve members of council are P.Geos. elected by the membership of the APGO. Three councillors are appointed by the Lieutenant Governor of Ontario. Four councillors are non-member public appointees, and one councillor represents the Council of Chairs of Canadian Earth Science Departments. The Province of Ontario has entrusted the APGO Council with the responsibility to register geoscientists, respond to complaints concerning our members, and to discipline when necessary. This self-regulating system is preferred as it is geoscientists, who are the most knowledgeable about their profession and have much to offer in implementing the legislation and regulations set by government. Serving on the APGO Council is a significant way for our members to set the policy and directions that guide the geoscience profession in Ontario.

To be nominated, each candidate must submit:

1. Her/his signed letter of consent to be added to the slate of nominees and to serve on Council if elected;
2. A copy of her/his curriculum vitae; and,
3. Her/his completed and signed Nomination Form showing the support of at least 10 APGO members in good standing (a listing of members-in-good-standing is available at www.apgo.net). The nomination form is appended to this notice.
