Addiction Medicine Journal Club

The Minnesota Chapter of the American Society of Addiction Medicine sponsors and coordinates a journal club that has been meeting monthly since August 2007. Your colleagues and you are invited to participate, either in person or by telephone. This meeting notice summarizes important logistical details.

Schedule
We meet on the first Thursday of every month from 7:30 to 8:30 a.m. Our next journal club will occur on 1 March 2012.

Location
The journal club occurs at St. Joseph’s Hospital in downtown St. Paul, Minnesota. We meet in the St. Joseph’s Room, which is on the Lobby Level near the cafeteria. General information about the hospital, including a street-level map are available here.

Participation by Telephone
You can also participate in the journal club by telephone. The telephone number (651-232-6937) and access code (818283) remain the same from month to month.

Journal Articles
Journal articles are distributed in PDF format by electronic mail in the weeks preceding the next journal club. The journal article that we will be discussing in March 2012 is thus:

Continuing Medical Education (CME)
HealthEast Care System is accredited by the Minnesota Medical Association (MMA) to provide continuing medical education for physicians.

HealthEast Care system designates this live educational activity for a maximum of 1.0 AMA PRA Category 1 credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

CME transcripts are available here.

Archives
Prior and future journal clubs are archived at www.mnasam.org.
