

## AUTM 2014 Region Meetings

### **AUTM 2014 Central Region Meeting - Register Now**

*AUTM*

*Spirit of Innovation*

July 14 – 16

St. Louis, MO USA

The [AUTM 2014 Central Region Meeting](#) is home to some of the most collegial, welcoming AUTM members around. This is your chance to meet them and establish connections that will go far beyond the meeting.

The meeting is packed with useful sessions including:

- Traditional & Alternative Technology Transfer Office Models
- Making the Case for Technology Transfer Offices
- Innovation, Opportunity and Agriculture: Growing Our Own in the Midwest

[Download the complete program for details and session descriptions](#)

Attendance at the AUTM Central Region Meeting will count toward your Certified Licensing Professional (CLP) designation or your Registered Technology Transfer Professional (RTTP) application.

### **Lunch with Industry Experts**

Join us Monday, July 14 from Noon to 1:30 p.m. as industry leaders from pharma, device, animal health, agriculture, information technology and others lead an informal discussion on specific topics related to academic/industry interactions. Sign up at the registration desk when you arrive.

**Networking:** The AUTM Central Region meeting has AUTM Connect™, the same tool used at the AUTM Annual Meeting, to connect with others and set up partnering meetings on your computer or smartphone.
