January 19, 2017

In response to the flood of August 2016 which devastated the Denham Springs High School welding program, the American Welding Society's Mobile Section is very pleased to make the following donation of supplies.

The Section provided $2,000.00 of its funds to purchase:

30 each Miller Auto Darkening Welding Helmets.

Added to the purchase of helmets Miller Electric Manufacturing and Hobart Brothers included the following:

- 5 Ea. Additional Miller Auto Darkening Helmets
- 4 Ea. Welding Jacket, Size M PN-244750
- 8 Ea. Welding Jacket, Size L PN-244751
- 8 Ea. Welding Jacket, Size XL PN-244752
- 100 Lbs 3/32 E7108 Electrodes – S119932-035
- 100 Lbs 1/8 E6011 Electrodes - S112244-031
- 100 Lbs 1/8 E6013 Electrodes – S113844-031
- 100 Lbs 1/8 E6010 Electrodes – S129444-035

In addition to these items WESCO Gas and Welding Supply headquarters in Prichard, AL made possible for the following items to be included in this donation:

- 60 pairs of welding gloves
- 60 safety glasses for students
- 25 Wire Brushes
- 20 chipping hammers
- 20 Vice Grip Pliers
- 20 Pair of Channel Lock Pliers
- 20 Face shields for grinding/cutting
- 5 each 4.5” Angle Grinders (5 only)
- Boxes of 4.5” grinding disc, wires brush disc, flap disc
- 4 Boxes of Soapstone.

The members of AWS Mobile Section are very pleased to make this donation and hope it contributes to a very successful restart of the DSHS Welding Program.

In total this donation represents a value of approximately $7,000.00.
