

BC Electrical Association Awards Project Excellence

Nomination forms must be received by the BCEA no later than November 15, 2018

The purpose of this award is to recognize projects that have demonstrated design and/or construction excellence, energy efficient buildings, or new uses of technology. It is not intended that the project size (financial or dimensional) be a significant criteria for selection of the award winner. The governing criteria for award selection should emphasize design excellence and innovation as well as innovative techniques for the project. Team submissions are encouraged.

Criteria:

- BCEA Member or Non-Member
- Teams can be submitted (ie. Consulting firm, distributor, contractor, etc.)
- One company must have an office in British Columbia (project can be anywhere in the world)
- Project must be completed by November 15, 2018
- Project must be unique and or innovative
- Award is not based on dollars spent on the project
- A representative must be able to attend the Christmas/Awards Reception on December 7, 2018
