8:00 - 10:00 am

Coast Kamloops Hotel

Kelowna - June 12, 2019
9:00 - 11:00 am

Sunset Ranch Golf Course Kelowna

\$60.00 for + GST BCEA Members
\$75 + GST for Non-Members

Presentation will include an overview 90.1 standard, it's history, the differences between 2013 and 2016 versions, requirements, and the interpretation of the codes. It will also cover the adoption in BC, third party verification, commissioning, and example of solutions.

Presenter: Tom Kartmazov, Energy Management, Controls, and Automation for Canada at Leviton Manufacturing.
Tom helps align leading technology with customers' ideas and local energy codes.
