

British Columbia Electrical Association 2018 Bursary Program

Application Deadline: July 31, 2018

The BCEA Bursary Program

The British Columbia Electrical Association members have raised funds this year to award \$500 - \$1,000 bursaries.

Bursaries are available to grade twelve and post secondary students pursuing a career in the following areas:

1. Electrical (including apprentices)
2. Marketing
3. Electrical Engineering
4. Business

Bursaries will be awarded to post secondary students and grade twelve students who will be attending a post secondary school in September (Apprentices must be returning back to school in the next school year). Bursaries will be paid directly to the post secondary school and will be allocated towards your tuition. Students are required to attend a post secondary school in British Columbia full-time.

Students must be attending or planning to attend an accredited university, college or post-secondary educational institute on a full time basis.

The Tommy Haddock Memorial Scholarship (\$1,000) - Qualified applicants must provide the information required below AND must be pursuing a career in the electrical field.

Application Checklist

Applications must be received by the BC Electrical Association by July 31, 2017.

- 1) Type or neatly print responses on the application form.
- 2) Attachments to the application:
 - a) Verification of acceptance to the accredited post-secondary educational institute.
 - b) Field of study (calendar excerpt and/or program brochure showing program content and tuition fee)
 - c) Your transcript
 - d) Essay - Please discuss your intended field of study, educational goals and plans and goals upon graduation. The essay must be typed, double-spaced, and no more than two pages.
 - e) Provide two letters of recommendation; one letter of which should be from the applicant's teacher or employer/supervisor. Both letters should address the applicant's overall character, class participation and academic potential.

Criteria for Selection

The selection committee will evaluate each applicant according to the following criteria established by the British Columbia Electrical Association.

- Field of Study
- Financial Need
- Employment
- Community service/school activities/volunteering
- Essay
