uOttawa

The Division of Orthopaedic Surgery  
University of Ottawa

**Welcome to...  
Ottawa, Canada**

*Dear Colleague:*

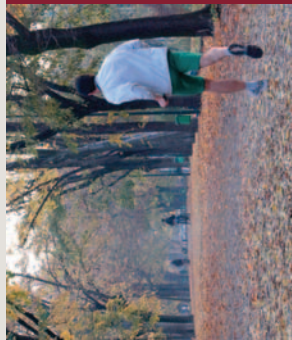

*Come to Canada's capital in the fall of and learn the latest in knee joint restoration procedures at the University of Ottawa's state of the art Skills and Simulation Centre. Lectures and demonstrations will be presented by international opinion leaders and you will be given the opportunity to perform the same operations in a lab setting. Didactic sessions will take place at the Westin Hotel, located in the heart of downtown Ottawa and close to the historic Byward Market, the National Arts Centre and upscale shops of Sussex Drive.*

*We urge you to consider early registration to inform us of your educational priorities and confirm your hotel reservations at the Westin Hotel during your stay in Ottawa.*

**Registration opens May 1, 2014**

*Dr. Geoff Dervin MD, FRCSC*

*Dr. Don Johnson MD, FRCSC*

**University of Ottawa, Skills and Simulation Centre  
The Ottawa Hospital, Civic Campus**

**Westin Hotel Ottawa – 11 Colonel By Drive, Ottawa, ON K1N 9H4**

**Office of Continuing Medical Education (CME)  
1053 Carling Avenue, CPC Bldg, R309  
Ottawa, Ontario (Canada) K1Y 4E9**
