Mississippi Governor Phil Bryant will address the morning plenary session on Monday, June 26th—the first day of the FPS International Convention in Starkville, MS, June 26-28, 2017. Phil Bryant was sworn in for his second term as Mississippi’s 64th governor on January 12, 2016. Before becoming the state’s chief executive, Bryant was lieutenant governor from 2008-2011. He also served as state auditor and represented his legislative district in the Mississippi House of Representatives for five years.

As governor, Phil Bryant has led Mississippi in implementing transformational public education reforms, promoting economic development and building a competitive business climate that attracts employers like Biewer Lumber—who broke ground in 2016 for the company’s new $85 million sawmill in Newton, Mississippi and saw its first truck load of timber being hauled away in 2017. The sawmill created around 125 jobs. Additionally, Pro South moved its operations to Booneville, Mississippi, two years ago. The project represents a $2.75 million company investment and created nearly 60 new jobs.

Bryant is also an avid outdoorsman and is a longtime member of the National Rifle Association’s Institute for Legislative Action.
