

# Learn. Develop. Discover.

Whether new to Direct Primary Care (DPC) or ready to scale your practice, experience the growing excitement surrounding DPC during the [Direct Primary Care Summit](http://www.dpcsummit.org),(www.dpcsummit.org) July 8-10 in Kansas City, MO, which offers members the opportunity to learn more about the DPC business model, legal considerations, marketing and branding initiatives, and much more.

This premier conference brings together DPC enthusiasts who are ready to collaborate with like-minded peers and offers the opportunity to:

- **Learn** about the business of operating a DPC practice—legal considerations, scaling an existing practice, and how to navigate patient communication in a DPC world.
- **Develop** your network with a community of DPC supporters willing to help you succeed.
- **Discover** why this model is gaining momentum and experience the growing excitement surrounding DPC.

Join your colleagues at DPC Summit and see what the excitement is all about. [Register by June 8 and save \\$100.](http://www.dpcsummit.org)(www.dpcsummit.org)
