

Final Training Sessions of the Year

Have you and your environmental, health and safety (EHS) staff completed all your hazardous materials training requirements?

The final two training sessions of 2018 at St.Germain Collins are:

- **U.S. Department of Transportation (DOT) Shipping Hazardous Materials Training**
 - Thursday 11/15/18
 - 8:00 am – 4:30 pm
 - \$445 per person

- **Maine-Specific Hazardous and Universal Waste Training**
 - Wednesday, 11/28/18
 - 8:30 am – 4:30 pm
 - \$395 per person

You'll learn the requirements in an understandable and applicable format; practice in class applying the regulations to different operating scenarios; discuss unwritten policies regarding compliance; and know how to systematically and cost-effectively apply them to your operations.

Enroll now so you can receive hands-on training, a light breakfast, a hearty lunch, certificates of completion and all course materials at these one-day training sessions in Westbrook, Maine.
