

Results of the NABE 2018 At-Large Board Election

May 9, 2018

Simply Voting Inc., an independently managed online voting service that conducts national and international polling and voting activities in the U.S., Canada and Europe, conducted the NABE 2018 At-Large Election on May 1-8 to select 3 candidates from a field of 6 total outstanding candidates who qualified for the ballot. The election results have been securely processed, tabulated, signed and certified by Simply Voting President. The results were reported to NABE's Administrative Headquarters on May 9.

Turnout: 479 (24.9%) of 1923 electors voted. The successful top three candidates listed below received the highest numbers of votes and were elected to a 3-year term (2018—2021) on the NABE Executive Board effective July 1, 2018.
