

If you've never been to a NAPR/NALTO® convention, you are missing an opportunity to enhance your business and broaden your knowledge base. Our convention will be held this year from March 7 - 9 at the JW Marriott Grande Lakes in Orlando, Florida.

- Enter a friendly competitive golf tournament and have fun while networking with colleagues. If golf is not your forte, there's a concurrent brunch followed by a free spa event; enjoy a chair massage or facial massage and make new connections.
- Our Keynote Speaker, Thomas Royer, MD, founding CEO and President of CHRISTUS Health, one of *Modern Physician's* Most Powerful Physician Executives for three consecutive years, and recipient of the American Hospital Association's Lifetime Achievement Award, will kick off the convention with "***Transformational Strategies for Future Success: People are the Key.***"
- Do you know about the ***Interstate Medical Licensing Compact***? Attend this session and find out a better, easier way for physicians to obtain multiple state medical licenses.
- The session ***Scaling an Organization From Start-Up to Success*** will provide valuable insights into growing your organization.
- Another session, ***Reputation: How to Build, Maintain and Leverage Healthcare Staffing's Most Persuasive Sales Tool***, promises to be a dynamic glimpse into how to leverage your company's dedication to best practices into the key to your success.
- A representative from Indeed will provide an overview of how to optimize recruiting practices.

These are just some of the dynamic topics that await you. In addition to great speakers and the opportunity to see old friends and meet new business connections, you will be able to establish relationships with vendors who offer our members thousands of dollars in discounts.

Rejuvenate your recruiting skills and have FUN with us! [Click here for more information and to register.](#)
