

Arrow Benefits & ThinkHR

ThinkHR is a service offered through Arrow Benefits Group, which provides PACE members HR support for employer issues such as compliance, policy structure, employee performance, and proper discipline or termination procedures. ThinkHR is a complimentary service to PACE members and is administered through Arrow HR, which provides a full suite of Benefits and HR compliance services.

Through ThinkHR, you have team of HR experts standing by to answer questions, give a second opinion, and assist through critical workforce issues. After your initial contact, you will receive added resources including HR newsletters, HRCI Webinars, HR Compliance Alerts, and access to custom educational flyers specific to the childcare industry.

Available resources include:

- HR Hotline team ready to answer your questions
- 1000's of forms, documents, tools, and HR templates
- 200+ on-demand courses resources management and employees
- Compliance Guidelines and Checklist
- Employee Handbook Builder
- Wellness and Safety program
- Hiring and on-boarding polices
- Performance Review Tools
