

PIA Washington/Alaska & IIABW's Annual Conference

PIA Washington/Alaska teams up again this year with the Independent Insurance Agents and Brokers of Washington (IIABW) for its annual conference. This year the third annual Washington Joint Conference is:

**October, 20-22, 2013
The Sheraton Hotel
Seattle, Washington**

Over 600 insurance professionals attended when the conference was held in Seattle in 2012. As always, the joint conference includes:

- Networking and this year has over 80 exhibitors showcasing the latest products and services.
- Education that features nationally-recognized speakers and CE credits on cutting-edge technical insurance topics.
- Networking — lots of it.

And — as always — fun.

***** Since the Joint Annual Conference is scheduled so late into the Fall there will be no golf tournament this year. We have replaced it with an opening reception on Sunday night.**
