### AGENDA

5:00 PM – 5:15 PM	Registration and Reception
5:15 PM – 5:45 PM	Clinique Medical Optimizing Regimen for Pre and Post Procedure Care <i>Joel L. Cohen, MD</i>
5:45 PM – 6:00 PM	Question-and-Answer Session/Reception

Preregistration is required for this program. Please register at <https://www.formdesk.com/meetingservices/CliniqueMedicalSDSSMeeting> or contact Health Learning Systems at 888-358-9863.

### LEARNING OBJECTIVES

- Discuss the importance of specifically formulated pre and post procedure topical products to complement nonablative procedure outcomes
- Review clinical studies undertaken with new product lines to evaluate their efficacy and safety
- Develop a treatment plan in line with the patient's goals that includes use of pre and post procedure topical aesthetics to complement outcomes
