Tick, Tock - Time is running out . . . Renew your SIM membership today

Renewal season is upon us so if you haven’t renewed your SIM membership, please do so today. Membership is on a calendar year for most members and expired on December 31st.

If you are a member of one of the following, please contact the chapter directly to renew your membership:

All other SIM Chapters may renew online at SIMnet.org

Follow these simple steps to renew your dues securely online (or Double check if you are not sure if you’ve renewed already):

1. Visit https://www.SIMnet.org
2. Sign in using your SIM ID and password
3. Select “Membership Info” on the right navigation bar – it will say if you are expired and need to renew.
4. Select “Securely renew your membership now” – you may pay online via credit card or print an invoice and mail a check.

Renewing your membership ensures that you do not lose your connection to a network of more than 4,000 IT leaders!

You don’t want to miss out on SIM’s year-round benefits, including:

- Networking: SIMposium 2013 (November 10-12, 2013 in Boston, MA); roundtables and seminars
- Knowledge Sharing: Advanced Practices Council (APC) research; Working Group deliverables;
- SIM Connect; SIM News Extra; Webcasts and SIMnet.org
- Education: Access to SIM Regional Leadership Forum, providing industry-specific training for future IT leaders
- Advocacy: The collaborative “voice” of SIM on issues such as cyberspace security and software licensing
- Industry Leadership: Access to peers who understand and manage similar challenges and issues

We look forward to continuing to be the premier place for IT sharing opportunities in 2013 and beyond. If you have any questions or need any assistance, please contact us at 800.387.9746 ext 4535 or sim@simnet.org.
