

What's new at the

Journal of Nutrition Education and Behavior

SPECIAL ISSUES AND SUPPLEMENTS ▼

Nutrition and Physical Activity, Published November 2018

This special issue featured physical activity and how it affects, and is affected by, nutrition and diet. Topics published are of interest to nutrition education and behavior researchers, educators, and practitioners.

The Scholarship of Learning within Nutrition Education and Behavior, Publishing November 2019

This themed issue will include learning and teaching strategies in formal and informal classrooms or settings where the focus is nutrition.

iCook 4-H: A Dyad Study for Youth and Adults to Cook, Eat, and Play Together for Obesity Prevention, Published March 2019

The Journal of Nutrition Education and Behavior is pleased to present this US Department of Agriculture (USDA)-funded childhood obesity prevention work.

Sustainable Management of Food, Publishing 2020

This special issue will focus on reductions in food loss and waste that involve behavioral changes.

METHODS PAPERS ▼

Methods Papers describe the objectives and methodologies for multi-year interventions that aim to change nutrition and/or physical activity behavior and/or related physiological outcomes and include protocols that have already undergone review and approval by federal agencies or national funding agencies. Read the Guide for Authors on the JNEB.org website to learn more.

POSITION PAPERS ▼

Position Papers feature SNEB's policy, background information and analysis providing a complete understanding of important issues and the rationale behind the policies. To submit topics for consideration, send your topic and a brief rationale to **SNEB's Executive Director, Rachel Daeger**, at rdaeger@sneb.org and **JNEB's Editor-in-Chief, Karen Chapman-Novakofski, PhD, RDN** at editor@jneb.org.

Position of the Society for Nutrition Education and Behavior: The Importance of Including Environmental Sustainability in Dietary Guidance, Published January 2019

CONFERENCE POSTERS ▼

SNEB Annual Conference Digital Poster Hall

You'll find posters from this year's annual conference published in the Collections section of the journal's website at www.JNEB.org. If you presented a poster and would like information on turning it into a journal article, please email editor@jneb.org.
