

## COPA invited to attend the International UAV Show in Toronto

Join us **December 6-7th**, 2016 at the Enercare Center in Toronto for the inaugural International UAV Show - Canada's largest gathering of UAV professionals and enthusiasts.

COPA's booth will be staffed with Subject Matter Experts on UAV insurance and UAV Operations for Small Businesses and Individuals.

Setting the stage for what is to come in the future of UAV/UAS systems, this event will provide an all-encompassing view of the industry from the technology itself to the various applications, showcasing the immense value drones can bring to commercial businesses.

The two-day event will be host to over 100 exhibitors, and headline numerous keynote speeches from industry experts and those who have profited most from the technology to date. Alongside presentations and live demos, attendees will be offered the opportunity to partake in a multitude of different workshops and interactive seminars, helping to measure the opportunity for UAV/UAS adoption and outline how to maximize the value drones can offer to various businesses.
