

## Toolkit for the USPSTF Overview and Recommendation Process Videos

We have created the following materials as resources for use online and in newsletters to share the Task Force's Overview and Recommendation Process videos. Please feel free to edit and use these as you wish.

### *Sample Text for Newsletters, Web Sites, or Email*

#### **TWO NEW VIDEOS ABOUT THE USPSTF NOW AVAILABLE**

The U.S. Preventive Services Task Force has released two new videos about what the Task Force is and how it develops recommendations on preventive care services. In [the first video](#), Dr. Virginia Moyer, chair of the Task Force, and Dr. Kirsten Bibbins-Domingo and Dr. Mark Ebell, Task Force members, discuss how the Task Force helps clinicians and patients decide together whether a preventive service is right for a patient's needs. In [the second video](#), learn more about the Task Force's process for developing evidence-based recommendations.
