

Dear Vision 2020 Delegates,

Vision2020 and the Women's Resource Center invite you to a presentation of **Grace After Fire** on **Wednesday, Oct. 1 at 10 a.m. on Drexel University's campus in University City.**

This event is aimed to showcase Grace After Fire, a nationally-acclaimed program that provides support and resources for female US military veterans returning to civilian life. Colonel Kim Olson, USAF (Ret.), a Vision 2020 Delegate and the keynote speaker, will speak about the many issues female veterans and their families face, and the support her program offers to help them succeed. We welcome anyone, especially women formerly in the military and their service providers, to attend, as this would be a great opportunity to collaborate with other veterans.

Below is a flyer regarding the details of the event for any interested students or colleagues you may know. **Please share this flyer with anyone whom you believe would be interested in attending.** This event is free and open to the public, but registration is required.

Thank you and we hope to see you on Oct. 1!

VISION 2020 of Drexel University College of Medicine
In collaboration with the Women's Resource Center presents

Col. Kim Olson, USAF (Ret.) CEO
of Grace After Fire and Vision 2020
