Representation

Please indicate the interest category that reflects who you represent:

- Producer**
Manufacturer, builder, or installer of swimming pools, spas and hot tubs or components.
- User**
Any consumer or individual/entity that uses swimming pools, spas, swim spas and hot tubs or components. This includes but is not limited to federal, state, or local regulatory agency or department for public safety. The entity may also have the responsibility of regulating or monitoring swimming pools, spas, or hot tubs.
- General Interest**
An entity or individual with expertise in swimming pools, but that neither produces nor uses them directly. This category includes but is not limited to consultants, academia, insurance companies, testing laboratories (that test or certify pool and spa components against standards) public interest organizations, and "not-for-profits" having an interest in pools, spas/hot tubs.

Indicate below the name of the entity you would be representing, if any, and include written authorization from that entity authorizing you to be their representative. Skip this question if you plan to participate as an individual.
