CAMPBELLFORD MEMORIAL HOSPITAL

“Come for the work, stay for the lifestyle”

EMERGENCY DEPARTMENT PHYSICIAN OPPORTUNITIES

You are invited to consider opportunities for Full-Time Emergency Physicians and Locum Emergency Physicians.

Campbellford Memorial Hospital (CMH) is a 34-bed health care facility complete with Diagnostic Imaging and Laboratory Services, as well as a busy Operating Room. It serves approximately 30,000 Northumberland, Peterborough and Hastings County residents, as well as a large seasonal population of cottagers and tourists enjoying the beautiful Kawartha Lakes Region and the Trent-Severn Waterway System.

The historic village of Campbellford was settled in the early 1800’s on the banks of the Trent River, surrounded by the scenic rolling Trent Hills. Only a short drive from Highway 401, Campbellford is convenient to larger centres while being a world away from the traffic and stress of the city.

The Hospital’s 24-hour Emergency Department has approximately 20,000 visits each year. The seasoned and skilled staff of the Emergency Department put their patients first, living up to our vision of being a recognized leader in rural healthcare. CMH is proud to participate in the training of the next generation of Family Medicine residents, from both Queen’s University and the University of Toronto, with Teaching Practice sites through our local Family Health Team.

We welcome Interest from those who possess the following qualifications: CCFP (EM preferred), ACLS, ATLS and eligibility for licensure in the province of Ontario. Experience in providing care in a rural, solo physician environment would be an asset. Flexible start dates are available.

Physicians are invited to send a letter of interest and curriculum vitae to:

Laurie Smith, RPR, Physician Liaison
Campbellford Memorial Hospital
146 Oliver Road
Campbellford, ON K0L 1L0
Or via email: lsmith@cmh.ca
