

It's that time again, [Hydrogen + Fuel Cells 2015 \(HFC2015\)](#) is set to occur in just over a year's time- don't miss your chance to participate.

DATE & VENUE:

Mark your calendar as this event is scheduled for **April 27th- April 28th, 2015** at the [Four Seasons Hotel Vancouver](#).

THEME:

This year's theme is **Clean Energy Advances: The Commercialization of Mobility, Energy Storage and Automotive Technology** and will provide the framework for areas of discussion to encompass important key aspects of the hydrogen and fuel cell industry including today's challenges, innovations and current global initiatives.

SPEAKERS:

Interested in speaking at HFC 2015? There are currently speaking opportunities available for **HFC2015**, please send a direct e-mail indicating your topic area, organization and position. HFC 2015 will not require abstract submissions and all interested speakers are asked to contact the organizers directly at hfc2015@chfca.ca for an evaluation.

DETAILS:

Put on by the Canadian Hydrogen and Fuel Cell Association (CHFCA), **HFC2015** has been created to provide a smaller and intimate platform for a thought-provoking conversation among the industry's leading executives.

The event will include a two-day speaker series, networking breaks and breakfast on both days (**Monday, April 27th- Tuesday, April 28th, 2015**) and an **Evening Reception** that will be held for all participants on **Monday, April 27th, 2015**.

Please visit the event website regularly for event updates and registration announcements at www.hfc2015.com.

EXHIBITOR & SPONSORSHIP OPPORTUNITIES:

Interested in exhibiting or sponsoring the event? There are various **Exhibitor** and **Sponsorship** opportunities available, inquiries are to be sent to hfc2015@chfca.ca.

CHFCA is excited to be hosting this event once again and is looking forward to seeing you in Vancouver!

Best Regards,

The CHFCA Staff

Canadian Hydrogen
and Fuel Cell Association
