

## **COPA's VIP Insurance Plan Discounts & Coverage Benefits**

COPA's Industry Partner and administrator of the COPA Aircraft Insurance Program, The Magnes Group Inc., is pleased to announce that Silver policy holders under the COPA VIP Insurance program can now qualify for further premium discounts by indicating their pilot experience when requesting a quote (new and existing customers at renewal).

Whether you are getting your quote online or speaking to one of the COPA VIP Insurance Brokers, please be sure to take the extra couple of minutes to answer three questions about your pilot experience. It could result in significant savings off of your policy premium.

In addition to these discounts new and renewal policies effective August 31<sup>st</sup>, 2012 and later will automatically get upgraded coverages as follows (for no additional premium):

### **VIP Gold In Motion Hull & Liability Policy**

- Trip Interruption Coverage when an accident occurs away from your home base;
- Extra Expense coverage to cover the additional cost to rent an aircraft following an accident;
- Open Pilot Clause for COPA members to fly your aircraft if they have a minimum of 250 hrs total time, 35 hours on make and model, and 10 hours in the past 12 months.

### **VIP Silver Not In Motion &/or Liability Only Policy**

- Open Pilot Clause for COPA members to fly your aircraft if they have a minimum of 250 hrs total time, 35 hours on make and model, and 10 hours in the past 12 months.
- Further pricing discounts.
