

The 20th Canadian Aviation Expo hosted by Waterloo Airshow

The Canadian Aviation Expo is Canada's Premier Aviation Trade Show bringing the latest and greatest aircraft and aviation products to pilots and aviation enthusiasts. The Waterloo Airshow is one of Canada's Premier Airshows bringing the glamour, thrills and excitement of aviation to enthusiasts, aspiring pilots and seasoned pilots alike.

Combining the Canadian Aviation Expo and the Waterloo Airshow on June 1-2 will allow pilots and attendees to experience and visit exhibitors offering everything from flying lessons to kit planes and corporate jets. Add to this a spectacular air show featuring the popular and dynamic Royal Canadian Forces Snowbirds plus many more exciting performances and aircraft such as CF18's, Harvard's, T-33 Mako, Wing Walker, Interstate Cadet, Yak 50, Sukhoi SU-26M and you have an exciting aviation experience for all.

The Region of Waterloo International Airport is an ideal location for the event offering a large dedicated aircraft parking area for pilots and aircraft owners to fly-in for the day or for the weekend. The Aviation Expo will be located in the main static display area and will include an outdoor area for display aircraft and a large enclosed tent full of aviation exhibits, products and displays.
