

Invites You To An Information Session On The Vancouver/Victoria Terminal Class C Airspace

The presentation will highlight the following topics:

1. A general overview of the airspace including IFR traffic flows
2. Ideal locations for pilots to make initial transmissions to Vancouver/Victoria Terminal for entry into the Terminal Class C Airspace
3. Published Transit Routes and other routings to be expected in the Terminal Class C Airspace

A question and answer period will follow the presentation.

When: May 30th 2013

Time: 1900 – 2100

Where: Vancouver ACC

7421 135 street

Surrey B.C.
