

2015 Family Doctor of the Day Program kicks off January 12

By KAFP

THANK YOU to all who have already volunteered one or more days to serve as Family Doctor of the Day. If you have NOT, we need your help!

The legislative session will be off and running January 12. We have some openings and it is important that we fill all days the legislature is in session. The legislators are grateful for this program and it definitely puts family medicine in a favorable light!

The following dates are open:

January:

16, 26, 29

February:

2, 3, 4, 6, 12, 16, 18, 26

You must be a KAFP member who is an active, life or resident member in your 2nd or 3rd year to serve as the *Family Doctor of the Day* at the Statehouse.

Volunteers report to the Capitol Building in Topeka from 9 a.m. to 3 p.m. treating legislators, staff and visitors who need medical attention. The number of patients seen varies and volunteers use open time to catch up on emails and phone calls. It really is a win-win for you!

Please go to the [KAFP website](#) and follow directions and enter your name into the calendar for one of these dates or any other open dates. Or email [Karen](#) or phone us 316.721.9005. This is a privilege to serve. Please help us keep this important volunteer opportunity that is greatly appreciated!

Thank YOU!
