

Are you up for Board exams?

KAFP

If your re-election cycle for Board exams is coming up soon, The SAM Group Learning Session is a perfect opportunity for you to receive assistance in completing your American Board of Family Medicine (ABFM) maintenance of certification (MC-FP) process.

KAFP is pleased to offer **Self Assessment Module (SAM) Group Learning Session: Childhood Illness** on Wednesday, June 8 at the DoubleTree Hotel in Overland Park as its Annual Meeting pre-session.

Date: Wednesday, June 8, 2016

Time: 1 - 5 p.m.

Place: DoubleTree Hotel, 10100 College Blvd., Overland Park KS 66210 (Tucson Room)

Faculty: Sheryl Beard, MD, FAAFP

Module: Childhood Illness

3 ways to register -- your choice:

1. As a part of your Annual Meeting registration at: <http://conta.cc/1MNzyQc> **PLEASE NOTE THAT IF YOU HAVE ALREADY REGISTERED FOR THE MEETING, YOU WILL NEED TO REGISTER HERE:** <http://www.kafponline.org/Education/SAMGroupLearning/> or call KAFP at 316-721-9005.
2. As a part of your Annual Meeting registration located inside of your print brochure you received in the mail.
3. Or register for the SAM online at:
<http://www.kafponline.org/Education/SAMGroupLearning/>

Participate with colleagues in a distraction-free, focused work environment that fosters interaction and promotes collaboration, while earning CME.

To finalize the SAM process and earn CME, the clinical simulation must also be completed on the ABFM website within one year. The SAM registration fee is \$150 for members/ \$250 for non-members. The ABFM charges a separate fee. Participants who complete the SAM Group Learning Session and clinical simulation earn 12 elective credits.

NOTE: ABFM is changing its format in July, and after that time, the SAM will be de-linked from the Clinical Simulation, and the names are changing. It will be Knowledge Self Assessment (KSA) rather than SAM and Clinical Self-Assessment (CSA) rather than Clinical Simulation. For those who wait until after July 1 and complete the KSA & CSA, the credits earned will be live credits rather than elective credits. KAFP will provide a KSA session in the fall with the new format.
