legislators are grateful for this program and it definitely puts family medicine in a favorable light! Please check your calendar in particular for these open dates:

THANK YOU to all who have already volunteered one or more days to serve as Family Doctor of the Day. If you have NOT, we need your help. Please go to the

advocacy tab on the [KAFP website](#) and follow directions to enter your name into the calendar for one of these dates or any other open dates. Or email Karen, or phone the office at 316.721.9005. It is a privilege for us to provide this program to the legislature. Please help us keep this important opportunity – it is greatly appreciated!

Those eligible to serve are KAFP active or life members and resident members who have a Kansas license (usually those in their 2nd or 3rd year of residency.)

Volunteers report to the Capitol Building in Topeka from 9 a.m. to 3 p.m. treating legislators, staff and visitors who need medical attention. **Please note that the parking FDOD space has changed to #A-169 in the Statehouse underground parking garage.** The number of patients seen varies and volunteers use open time to catch up on emails and phone calls. It really is a win-win for you!
