

# Fall Medicaid Training

KDHE

KDHE Division of Health Care Finance will offer Medicaid training courses in Topeka, beginning August 25 through September 29. Each Tuesday and Thursday during that time period several of eight different courses will be presented. The training is in-person and is designed to help any staff a better understanding of Medicaid in Kansas.

The courses offered are:

1. Introduction to Medicaid Managed Care
2. Medicaid Eligibility - Home and Community Based Services (HCBS)
3. Working Healthy, WORK and Social Security Disability
4. Early Periodic Screening Diagnosis and Treatment (EPSDT) – Kan Be Healthy
5. Medicaid Overview
6. Medicaid Eligibility – Children and Families
7. Medicaid Eligibility – Elderly and Disabled
8. Introduction to Medicaid Finance

These 60-90 minute courses are presented in-person to allow for questions that are relevant to the attendees. All courses are presented in Topeka, at Eisenhower State Office Building, 4<sup>th</sup> Floor Auditorium, 700 SW Harrison. **Registration is required for each course, using the [registration form](#).**
