

Kansas Delegation participates in ACLF and NCCL

Last week, AAFP held its National Conference of Constituency Leaders (NCCL) and Annual Chapter Leadership Forum (ACLF) in Kansas City. ACLF serves as a great orientation for emerging leaders who serve, or who are interested in serving, on chapter boards. NCCL is the AAFP's forum to address member issues specific to women, minorities, new physicians, international medical graduates (IMG) and GLBT physicians. The conference is an opportunity for members of these underrepresented constituencies to voice their individual and group perspectives.

Thank you to the following KAFP members who attended and represented Kansas:

NCCL Delegation:

Jen Brull, MD (Plainville)

Sarah Tully Marks, MD (Shawnee)

Margaret Smith, MD (Kansas City)

Evan Swanson, MD (Olathe)

Emily VinZant, MD (Wichita)

Other Kansans at NCCL included Jen Bacani McKenney, MD (Fredonia) and Mike Munger, MD (Overland Park).

ACLF Delegation:

Sheryl Beard, MD (Wichita)

John Feehan, MD (Olathe)

Lynn Fisher, MD (Plainville)
