

Remember KAFP-Foundation in Your 2014 Charitable Giving

As 2014 draws to a close, please remember KAFP-Foundation (KAFP-F) in your charitable giving.

Your generous support ensures the continuation of KAFP-F programs to identify and cultivate future family physicians like the Faces in Family Medicine program and the Student Summer Rural Experience — our premier programs proven to influence students' interest in family medicine. Program outcomes show one third of all participants choose family medicine as their career specialty.

KAFP-F is a 501(c) (3) tax-exempt public foundation, and is the only charitable organization in Kansas that exists to improve and increase access to health care by investing in the specialty of family medicine. Contributions for 2014 must be received by Dec. 31, 2014.
