

SAM Group Learning to focus on Care of the Vulnerable Elderly

The KAFP is pleased to offer a SAM Group Learning Session: *Care of the Vulnerable Elderly* from 1:00 to 5:00 pm on Wednesday, June 10 at the Wichita Marriott as a Pre-session to the Annual Meeting. Secure registration is available online as a part of the KAFP Annual Meeting registration. [Click here.](#)

This SAM will assist you in completing the American Board of Family Medicine (ABFM) module on *Care of the Vulnerable Elderly*, as part of your maintenance of Certification (MC-FP) process. Sheryl Beard, MD is the facilitator.

Past attendees comment on past SAM sessions:

- “Fantastic! Excellent! Awesome!”
- “Very good and helpful! Informative, to the point, yet entertaining!”
- “Please offer more SAMs classes!”

Participate with colleagues in a distraction-free, focused work environment that fosters interaction and promotes collaboration, while earning CME*.

**To finalize the SAM process and earn CME, the clinical simulation must also be completed on the ABFM website within one year. The registration fee to KAFP is \$150 for members/ \$250 for non-members. ABFM charges a separate fee. Participants who complete the SAM Group Learning Session and clinical simulation earn 12 elective credits.*
