

# CDC Activities for Cervical Cancer Awareness Month

By CDC

The CDC is hosting one webinar each week during the month of January focusing on cervical cancer. The webinars will revolve around the theme of addressing negative comments about vaccines on social media, particularly with regard to HPV vaccine. The webinar details with links are below:

- **Jan 14th 3:00PM:** *“To Engage or Not to Engage: That is the question for social media comments.”*  
Presented by Julie Leask, PhD, MPH.  
Register here: <https://cc.readytalk.com/cc/s/registrations/new?cid=tir2rilfl4o0>
- **Jan 22nd 10:00AM:** *“But I saw it on the internet! Addressing safety concerns that have gone viral.”*  
Presented by Cindy Weinbaum, MD, MPH and Melinda Wharton, MD, MPH.  
Register here: <https://cc.readytalk.com/cc/s/registrations/new?cid=1vp5nfdi8l3w>
- **Jan 29th 10:00AM:** *“Harnessing Enthusiasm: Real World Examples of Engaging Partners on the Front Lines.”*  
Presented by Karen Ernst and Christine Vara.  
Register here: <https://cc.readytalk.com/cc/s/registrations/new?cid=dczezim9v8bq>

**In addition, there will be a social media “Thunderclap” event on 1/19/2016.** It’s easy to participate, so take a minute now and sign up to participate.

- Go to Thunderclap page: <http://thndr.me/T6ScZN>
- Click the red button to add your support for Cancer prevention through HPV vaccination. You can choose to have the message post on your Twitter, or Facebook account – or both.
- Authorize Thunderclap to use your account. Note: only Twitter can use an organization page.  
If you are choosing to use FB it must be an individual page that can have thunderclap access your friends list to estimate reach.
- After you sign up, you can authorize Thunderclap to tell your friends and followers that you’ve joined #PreventCancerTogether.
- Encourage others to sign up too.
- Watch on January 19th at 3:00pm as members of #PreventCancerTogether broadcast their support for Cancer prevention and HPV vaccines.

In addition, the CDC has updated some of their HPV resources available at [www.cdc.gov/HPV](http://www.cdc.gov/HPV).
