2016 SCHOLARSHIP PROGRAM

Investing in Canada's Greatest Resource: OUR STUDENTS

Reasons to sponsor a scholarship:

- Companies will gain an early opportunity to select from the best up-and-coming students in their field and will enhance their brand through association with a leading Manitoban educational institution.
- A scholarship will help raise the profile of a company, organization, or individual within the industry or in the wider community by showing commitment to the education and facilitation of learning.
- A scholarship may be established to remember or honour a student, family or staff member of the company.
