

# 1Life Workplace Safety & Health and The Manitoba Chambers of Commerce Present Safety Leadership: Effective Safety & Health Risk Management

**Norm Keith LLM, CRSP**  
Partner, Fasken Martineau

This *must attend* event will be facilitated by Occupational Safety & Health lawyer Norm Keith, LLM, a partner at Fasken Martineau. Norm is Canada's leading OHS defence lawyer having defended more than 1000 charges successfully. He is the author of numerous books on the subject including, Canadian Health and Safety Law (Canada Law Book); Canadian Emergency Management and Response Manual; and Workplace Health and Safety Crimes (Lexis Nexis), the leading text on the Bill C-45 amendments to the Criminal Code. Norm was the first practicing Lawyer in Canada to achieve his Canadian Registered Safety Professional (CRSP) designation in 1998. And Norm is a highly sought after instructor and speaker at employer associations, bar associations, universities and international conferences.

*"The real lesson of Metron Construction — apart from the criminal prosecutions and charges against the company director and president — is that life is precious, safety systems must be implemented and focus on workplace safety is always a good business decision. Disregarding these could result in lives lost or ruined, and business reputations irreparably damaged."* – Norm Keith, LLM

**Breakfast Keynote:** 7:30 - 9:00 am

## Safety Leadership: Lessons Learned from Metron Construction and How to apply them for Increased Performance in Your Organization

Decisions from the ongoing Metron Construction disaster have had broad sweeping impacts that all Canadian businesses leaders need to be aware of. This includes new precedents impacting employers, contractors, directors, officers, supervisors, suppliers and owners across Canada. In this keynote address, Norm will cover the essential aspects of the Metron case, and provide recommendations to use in your organization to not only avoid a similar tragedy, but to help foster your organizations' safety performance.

**Networking Break:** 9:00 - 9:30 am

**Seminar:** 9:30 - 12:00 pm

## The New Era of Effective Safety & Health Risk Management

Building on the morning's keynote, join Norm for an intimate session where he will cover essential aspects required for today's new era of effective health & safety risk management including:

- Current Statistics
- Why Your Workers and Organization is at Serious Risk
- Understanding Legal Risk and Accountability
- Conducting an Effective Risk Assessment
- What to do when the OHS Inspector Arrives
