

# 6TH ANNUAL PROFESSIONAL DEVELOPMENT SERIES FOR EDUCATORS

AUGUST 31 - OCTOBER 2

## COVID-19 OR NOT: CRIMINALIZATION OF AMERICAN SCHOOLS PERSIST

Racial disparities and the recent police shootings dominate the headlines as the world grapples with a pandemic that again has exposed America's troubling 400-year history and its impact on human life. Join us for a series of professional development sessions that will examine critical spaces where educators can make a difference in the lives of our children that leads to their success and bright futures. Session participants are eligible to receive CEU's.
